

2009 Annual Conference Video Contest Information

You're invited to enter a video to creatively interpret next year's theme:

The old has gone! The new has come! All this is from God!

The purpose of the 2009 theme is to encourage each of us to:

- ◆ no longer regard others from a human point of view, but to see every individual through the eyes of God.

- ◆ explore the meaning, the means and the ministry of reconciliation in our own lives, our relationships with God and others, our congregations, the larger church and our society.

- ◆ proclaim the new creation by sharing the Good News of the Gospel in presence, word and deed to family, friends, neighbors, strangers and even enemies.

- ◆ pray for the faithfulness and obedience of God's people to the vocation and mission wherein we are called.

The winner's creation will be shown on the conference floor in San Diego, CA and receive a \$100 prize.

Each video submitted must be *no longer than 3 minutes* in length.

Four runner-up video's, along with the winner's will be distributed at the Congregational Life Team Exhibit Hall booth. Each piece will be reviewed for inspiration, creativity, originality, quality of video production, how it speaks to a diverse constituency, appropriateness and usability in a worship setting in interpreting the '09 Annual Conference theme.

All submissions become the property of the Church of the Brethren Congregational Life Team and will not be returned.
