

Enhancing Worship With Digital Stained Glass Insight Session will focus on how congregations can use of media to enhance worship. It will highlight the best of how congregations are using multi-media in worship.

Do you, or someone you know create multi-media pieces for worship? Would you like the best of your creations to be featured at the insight session? Jeff Glass is seeking media artists to submit their best pieces for this insight session. Each piece will be reviewed for creativity and inspiration.

In addition to the best submissions being shown during the insight session, they will be distributed on a DVD to attendees.

All submissions become the property of the Church of the Brethren Congregational Life Team and will not be returned.

Submissions are due by May 15, 2009.

Submission entry forms can be found at:
